

# Face coverings in schools: how to make it work

Here is what you and your child can expect now secondary students in schools introducing this measure will need to wear a face covering when moving through shared areas at school.

Maghull High School is strongly recommending that students and staff wear face coverings in indoor communal areas. In other areas of the school, staff and students may wear face coverings, should they wish to do so.

## When will my child need to wear a face covering at school?

Your child will be strongly recommended to wear a face covering at our school:

From when school starts in September. We have decided to introduce this measure because we feel it is appropriate to keep everyone safe at school, based on the latest guidance

---

## Where exactly will my child be encouraged to wear it in school?

- They will need to wear it when they move through shared indoor areas of the school where it's difficult to stick to social distancing. This includes corridors, dining room (not while eating) and common rooms
- They **will not** need to wear it outside or in their classrooms but may do so if they wish

---

## What will my child need?

Your child needs to come to school with:

- A **face covering**. We recommend a reusable one so that they can use it more than once, as they will need to take it on and off several times during the school day. If this is not an option, they will need to bring in several single-use face coverings each day. Their face covering should be secured to your child's head using ear loops only
- A **sealable plastic bag** to keep their face covering in when they are not using it so that it does not contaminate (or get contaminated by) other surfaces in school

---

## Where can I get a face covering?

- Reusable and single-use face coverings are available to buy in shops or online
- The government has produced guidance on how to make a cloth face covering

<https://www.gov.uk/government/publications/how-to-wear-and-make-a-cloth-face-covering/how-to-wear-and-make-a-cloth-face-covering>

- Please supervise your child if they will be making it themselves
- 

## How should my child use their face covering?

- Watch [this video](#) from the World Health Organisation with your child so they know how to wear their face covering safely. We will watch this in class too
  - Their face covering needs to cover their nose and mouth when they are wearing it
  - They should not touch the front of the face covering or the part that's touched their mouth or nose
  - They should wash their hands before and after touching the face covering, including to take it off or put it on. They should store it in an individual, sealable plastic bag between uses
  - If it becomes damp, they should not wear it, and they should replace it carefully
  - Single-use face coverings should be disposed of after use (**not** in a recycling bin)
- 

## How often will it need to be washed?

- Reusable face coverings will need to be washed at the end of each day, ready for your child to wear the next day
  - If your child has taken a spare reusable mask from school, this will also need to be washed before they use it again
  - You can wash and dry reusable face coverings with normal laundry – follow the washing instructions for the fabric and use normal detergent
- 

## What if my child is exempt from wearing a face covering?

- They will not need to wear one in school
  - Please let us know by contacting [school@maghullhigh.com](mailto:school@maghullhigh.com) if your child [is exempt](#)
- 

## What about my younger child?

- This guidance on wearing face coverings does not apply to children under the age of 11
- 

## What if my child forgets their face covering?

- We have a supply of spares available at school
