

Digital Citizenship

Use the internet to research and answer the below questions, for some questions I have included websites you can use but you can use any sites that you want.

What is a digital citizen?

Answer here:

Why is it important we are good digital citizens?

Answer here:

For the below you can use the following website: <https://www.goquardian.com/blog/technology/tips-to-be-a-good-digital-citizen/>

Explain what you should do to be a good digital citizen

Answer here:

Explain what you should not do to be a good digital citizen

Answer here:

Use the space below to create a poster/diagram to demonstrate how to be a good digital citizen, examples can be found by using the following search criteria in a search engine (I used Google): "digital citizenship poster project"
