

When you study drama at Maghull High School you will learn all about different acting techniques, which will help to build your confidence and performance skills. However, you will also learn about the wider elements of the performing arts, such as costume design, lighting and set production.

TASK 1 – On youtube, search for and **watch** ‘Disney’s Aladdin – a musical spectacular’ (45mins 36 secs long)
<https://www.youtube.com/watch?v=o-gLbgpzCc8>

TASK 2 – On a sheet of A4, write or type up the answer to the following questions...

- Which actor’s performance impressed you the most?
- What is impressive about their performance?
- What moments in the musical did you enjoy the most? Why?
- Was there anything that that you think could have been done better? Why?

TASK 3 – On the same page...

- Can you sketch/draw the set and one costume? ...the more colourful the better!
- How does the set change throughout?
- Can you name and describe one costume change used?
- Why do you think the set design and costume is important in a piece of drama?
