

MAGHULL HIGH SCHOOL

SPECIALIST ACADEMY FOR THE PERFORMING ARTS

All to: Aspire, Achieve, Enjoy

Headteacher: Ms D Aspinall BSc

18th May 2020

Dear Parents and Carers

Choosing a secondary school for your child is a very important decision and we are proud and delighted that you have chosen Maghull High School. Our transition process is very different this year due to COVID-19, however we are resolutely committed to ensuring every child receives the personalised care and attention we would usually provide.

Your child will be one of many joining Maghull High School from a number of different primary schools. Some children find the transition from primary school easy, others will be less confident, but all of them will find both the older pupils and the staff very helpful in enabling them to adjust to new and much larger surroundings. In general, you will be surprised how quickly your child will 'find their feet'.

Education is a partnership between the home and the school. It is important that staff and parents work together, with our young students, to ensure the delivery of a quality education. We work hard to ensure that we always act in the best interest of each individual child.

In Year 7 much attention is paid to identifying the needs of each pupil and providing appropriate educational guidance. From the start all children are expected to respect each other, respect property and respect themselves. They are encouraged to take pride in their achievements as well as in their appearance and uniform. They are also encouraged to participate fully in the life of the school, to the benefit of others, as well as themselves. Please impress upon your child that success at school depends on how hard they are prepared to work. We expect all children to do their best, complete homework thoroughly and make worthwhile contributions to the wider life of the school.

Key teaching and support staff would usually visit your child at their primary school to introduce themselves and address any questions or concerns your child may have; there would also be a meeting for parents and carers. We hope that these events can still take place at some point to make the transition to secondary school both enjoyable and as smooth as possible. In the meantime, could I please request that you take some time to read the information provided and that you complete the enclosed admission and inclusion forms. Once completed please return to the school in the self-addressed envelope provided or via email at transition2020@maghullhigh.com Digital versions of the forms are available on the school's website www.maghullhigh.com under the admissions tab. If you have any questions or queries regarding this process, please do not hesitate to contact the school directly via email.

We are very much looking forward to working with you to ensure that your child is both happy and successful at Maghull High School.

Yours sincerely

Ms D Aspinall
