July 2020

Dear Parent or Carer

At Maghull High School, we use ParentPay to remotely top up dinner cards and pay for school events. Please find information below on how to access an account.

New to ParentPay?

Go to parentpay.com, click login and enter the username and password above. You will be prompted to change these when you set up your account. You will require an email address to activate your account. You can add multiple children to the same ParentPay account using the **add a child** button on your home page.

Already have a ParentPay account?

If you already have a ParentPay account, either with our school or another ParentPay school, you can simply login to that account and add your other children via the **add a child** button on your home page. You will need the activation username and password above to do this.

Please do not hesitate to contact the school office or email school@maghullhigh.com if you need assistance.

Yours sincerely
