

MAGHULL HIGH SCHOOL

SPECIALIST ACADEMY FOR THE PERFORMING ARTS

All to: Aspire, Achieve, Enjoy

Headteacher: Ms D Aspinall BSc

June 2020

Dear Parents and Carers,

As we do every year, we are planning to run a week of summer school before our new year seven students join us. Each student will be invited to attend for one day and all activities will be based in school.

In line with government guidance, we have ensured that, through a range of safety measures, our site is now Covid-19 secure. Students who attend will be working in small groups, supervised at all times by staff, and social distancing and hygiene measures will be in place.

Attendance on their designated day will give your child an opportunity to meet some key staff, orientate themselves with the site and begin to make some new friends. We hope they will be able to attend.

Our summer school this year will run in the week commencing 17 August. Students should arrive at 9am on their designated day and the day will finish at 3.15pm. This year's summer school will take place in our wonderful new main school building.

The aims of the summer school are as follows:

1. To make friends and build relationships
2. To help students understand what they need to succeed in secondary school
3. To ensure that students feel confident about their transition to secondary school

All of the sessions will be supervised by Maghull High School staff and there will be a mix of group and individual activities for students to take part in. The cost of summer school is five pounds per student per day. Students will need to bring a packed lunch with them on the day. They will attend in their own clothes and will have the opportunity to do outdoor activities, as well as class based sessions.

Payment ideally is to be made by Friday 17 July, either in cash or cheque made payable to Maghull High School.

If you would like a summer school place for your child or require further information, please contact us by email at summerschool@maghullhigh.com. We are looking forward to working with your child and are confident that participation in summer school will prepare them for an excellent start to their life at Maghull High School.

Yours sincerely,

Mrs M Bennett
